### **BOOK #1: Prepper's Hacks: 35 Outstanding Safety Survival Hacks For Surviving Disaster**

Are you, like millions of other people, drastically concerned about the way things are shaping in the world? Are you worried of the looming natural disaster, terrorist attack, martial law, grid down situation? If you are, there's no reason to deny you aren't. In light (or darkness) of the many global and national events that threaten people's security, many individuals and families alike have started taking the necessary steps to preparing for the worst of the worst to happen. That means stocking up on the necessary supplies and putting plans for different scenarios in place...but it also means learning some unique skill sets, or hacks, to surviving. It is these hacks that you are going to learn about in this book, and that you can then translate into viable skills in your own life. Ultimately, it may be these hacks you learn that mean the difference between life and death in a survival scenario. Prepping is a great responsibility that you can take upon yourself for the protection of you and your family. Even if such a survival scenario never happens, the old adage goes that it's never too late to be safe than sorry. So turn to the first page, and begin the learning process!

### **BOOK #2: Prepper's Hacks: Outstanding Prepper's Hacks For Surviving Volcanic Eruptions**

Volcanic activity results in an outburst of materials in life threatening proportions. A typical volcano eruption will emit rocks, gas, and ash that plumes into the earth atmosphere. The eruptions and the flow of the lava are capable of destroying lands and major cities to several miles. Even though not all the eruptions are the same, they do tend to terrify and disrupt the habitation in the surrounding regions. If you inhabit in a neighborhood that has the volcanic threat, it is in your best interest to learn about the preparations that you

have to carry out to survive an eruption. Taking the time to learn about the preparations will protect you and your family from an unexpected eruption.

The eBook concentrates on the essential factors that play a primary role in preparedness. With the help of the topics covered in the book, you will be able to offer food, water, medical aid, and safety precautions to your family. You no longer have to wait for the governments assistance, which often results in time consumption.

### **The eBook covers the following topics:**

- The way volcanoes work
- Preparation for an eruption
- Surviving an eruption
- Protection and safety implementations during volcanic activity
- Protection after an eruption
