Succulent Wild Love: Six Powerful Habits for Feeling More Love More Often SARK, John Waddell
A new philosophy of love and relationships for everyone

Relationships *do not* require compromise or sacrifice
You can create joyful solutions instead

SARK has made a career out of sharing her personal, journal-like writings and art, and inspiring others with her vulnerable and honest journeys toward self-acceptance. She has helped her legions of fans craft lives filled with joy, creativity, and self-love — and she even married herself in a “statement of self-liberation” described in *Succulent Wild Woman*. And yet SARK had one big secret wish: overcoming her fears to commit to an intimate life partnership. So she embarked on a “Covert Love Operation,” and, after much soul-shaping, it culminated in her meeting psychologist and spiritual teacher Dr. John Waddell — and discovering *Succulent Wild Love*. They now teach and mentor together using the principles in this book — six powerful habits that can transform any relationship or open you to create the partnership you want.

Over 175 pieces of SARK original art included
