Brooklyn Bennett breaks the mold when it comes to female heroines, she is not your average chick! She loves sex, hot guys, and her best friend Savannah fiercely and has a slight obsession with Jared Leto. You got to know me in my best friend Savannah's series. Now it's my turn to tell you my story and for you to see my best friend's journey to her happily ever after through my eyes. My life is far from the norm. First off, I'm not your average girl. I'm wild, crazy, and everyone who knows me say's I'm a free spirit. I guess I am, because I don't sweat the little things. Life is too short. I love hard and live harder. My dream is to become a star and that dream comes first and foremost before anything and anyone...except for my best friend Savannah, who I'd go to hell and back for. At 24 years old, I'm not looking for love. I'm just looking for a good time and a nice distraction after busting my butt on a movie set all week. The thought of falling in love has never crossed my mind. I'm too driven for love and everything that comes with it. Meet Dixon Beaumont That is until I meet a certain Southern hottie by the name of Dixon Beaumont, who just so happens to be the cousin of Kayden Knox. He flips my world upside down the moment we meet. My Dilemma... The only problem is he's the male version of me: Career driven and enjoys having a good time with no plans on settling down. Throw in a bad boy rocker and a sweet Aussie and I find myself going from a simple, carefree life to a full-blown love square. It's going to be dramatic. But hey, what's life without a little drama?
