Discourses on the First Decade of Titus Livius Niccolo Machiavelli

The Discourses on Livy (Italian: Discorsi sopra la prima deca di Tito Livio, literally "Discourses on the First Decade of Titus Livy") is a work of political history and philosophy written in the early 16th century (ca. 1517) by the Italian writer and political theorist Niccolò Machiavelli, best known as the author of *The Prince*. Where the latter is nominally devoted to advising the ruler of a principality, in other words a type of monarchy, the Discourses purport to explain the structure and benefits of a republic, a form of government based on some level of popular consent and control.
