As a college student, I exactly feel bored in order to read. If their teacher requested them to go to the library or make a summary for some e-book, they are complained. Just small students that have reading's soul or their passion. They just do what the teacher wants, like asked to go to the library. They go to the library but nothing reading seriously. Any students feel that looking at it is not important, boring, as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise, word says, ways to reach Chinese's country. Therefore this Stonehearst Asylum: Short Story can make you truly feel more interested to read.
