**Shadow and Betrayal (Long Price Quartet)** Daniel Abraham

**A value-priced omnibus of the first two novels of Daniel Abraham's classic Long Price Quartet?groundbreaking, unique fantasy of rare power and originality**

In this omnibus edition of *A Shadow in Summer* and *A Betrayal in Winter*, the aggressively expansionist Galt empire has already conquered lands across a huge continent. But the cities of the Khaiem resist Galt's power with the andat?creatures of magic with godlike powers.

Each andat is brought into being by a "poet" who must say the right words and exert the iron will needed to control gods. The industrialized Galt war machine is helpless against the powers of the andat...but political intrigue and deep treachery combine to shift the balance of power in a world of ancient empires and immortal magics.

One man, Otah Machi, stands at the crossroads of history in these imaginary world fantasies, the fulcrum around which the wheels of epic history rotate through achingly poignant cycles of life and death, love and betrayal.

*Shadow and Betrayal* marks Daniel Abraham as one of today's most brilliantly original young fantasy writers.
