No Land's Man Aasif Mandvi

Aasif Mandvi—best known for his work as a correspondent on *The Daily Show with Jon Stewart*—has been dealing with identity issues across three continents and 30 years. With wit, smarts, and a good dose of hard-earned perspective, Mandvi explores a range of engrossing stories: dealing with his brunch-obsessed father, being a teenage Michael Jackson impersonator, and playing snake charmers, taxi drivers, and eventually a fake journalist as an actor in New York, where he was even once told that he wasn't "Indian" enough for a role. Now in paperback, *No Land's Man* is a laugh-out-loud account of a second-generation immigrant's search for meaning and identity in an increasingly confusing world.
