A Commentary on the Book of Psalms

Saint Robert Bellarmine

A Commentary on the Book of Psalms Saint Robert Bellarmine

The Book of Psalms, even if it is, properly speaking, the third part of the Old Testament, as Our Lord says in Luke 24:44, “all things must needs be fulfilled which are written in the law of Moses and in the prophets and in the psalms, concerning me,” nevertheless is also a sort of summation or as it were a compendium of all of Sacred Scripture. For the Book of Psalms contains accounts from sacred history, as is evident from Psalms 77, 103, 104 and others; it contains many very plain prophetic oracles, as is evident from Psalms 2, 21, 44, 60 and others; it contains laws and precepts, as is evident in Psalm 118; it contains “hagiographa” in almost all the Psalms, that is, exhortations to virtue, discouragement from vice, threats, promises, examples, remedies for vices, divine praises, prayers to God, in short a complete, natural, moral and supernatural theology.
