As head of the first special force unit devoted exclusively to the investigation of hip-hop crime, first-grade detective Derrick Parker worked on some of the biggest criminal cases in rap history. From the shooting at Club New York to the murder of Tupac Shakur, Derrick was on the inside of hip-hop's most notorious crimes.

Always straddling the fence between "po-po" and NYPD outsider, Derrick threatened police tradition to try and get the cases solved. He was the first New York detective on the Biggie Smalls' murder and discovered shocking and never-before-revealed information from an unlikely informant. He protected one of the only surviving eyewitnesses to the Jam Master Jay murder and knows the identity of the killers as well as the motivation behind the shooting.

Notorious C.O.P. reveals hip-hop crimes that never made the paper--like the robbing of Foxy Brown and the first Hot 97 shooting--and answers some lingering questions about murders that have remained unsolved.

The book that both the NYPD and the hip-hop community don't want you to read, *Notorious C.O.P.* is the first insider look at the real links between crime and hip-hop and the inefficiencies that have left some of the most widely publicized murders in entertainment history unsolved.
