Coyote Blue by Christopher Moore

Coyote Blue by Christopher Moore

Overview From master of subversive humor Christopher Moore comes a quirky, irreverent novel of love, myth, metaphysics, outlaw biking, angst, and outrageous redemption. As a boy, he was Samson Hunts Alone - until a deadly misunderstanding with the law forced him to flee the Crow reservation at age fifteen. Today he is Samuel Hunter, a successful Santa Barbara insurance salesman with a Mercedes, a condo, and a hollow, invented life. Then one day, destiny offers him the dangerous gift of love - in the exquisite form of Calliope Kincaid - and a curse in the unheralded appearance of an ancient god by the name of Coyote. Coyote, the trickster, has arrived to reawaken the mystical storyteller within Sam...and to seriously screw up his existence in the process. Editorial Reviews From the Publisher "Downright laugh-out-loud, can't-put-the-book-down funny." -The Philadelphia Inquirer "[A] whimsical fable of contemporary culture shock....Tautly written with a zest for the absurd and the unpredictable." - Jennifer Howard, The New York Times Book Review Publishers Weekly - Publisher's Weekly Sam Hunter, the hero of Moore's raucous new novel, is the perfect insurance salesman: a complete chameleon who can be all things to all people, sizing up the ideal pitch to close any deal or make any woman. Living on the beach in Santa Barbara, Calif., Sam has all the accoutrements of the successful yuppie. His true identity--as Samson Hunts Alone, a full-blooded Crow Indian who fled his reservation and his heritage at age 15 after killing a policeman--is hidden and all but forgotten. Then one day, the Native American trickster figure Coyote enters Sam's life, with the apparent intention of destroying it piece by piece. Coyote's arrival coincides with Sam's involvement with Calliope Kincaid, an uneducated single mother whose hippie lifestyle is a throwback to the 1960s.
