## **Fortunate Son: The Unlikely Rise of Keith Urban** Jeff Apter

Born in New Zealand in 1967 and raised in Australia, Keith Urban has unlikely roots for one of the world's biggest country music stars. His success is undeniable: to date he has sold more than five million albums, written five number one singles, and his shows sell out in minutes to throngs of country fans across the United States. His very public relationship with Nicole Kidman—whom he married in an A-list affair in 2006—earned Urban a totally new audience, with gossip magazines across the planet tracking their relationship and the recent birth of their long-wished-for child, Sunday Rose. Frank, this insider's biography reveals how Keith Urban lived out his childhood dream, as well as the price he's had to pay to reach the top of the music business.
