"For the last half-hour my mind has been playing games with me. I keep thinking I see Claire at the periphery of my vision, but when I turn my head she vanishes. But then of course she would. She is a ghost, after all." It is the spring of 2005, and the macabre 'burning murders' have ended. Life has apparently returned to normal for the Thai island of Samui. For private investigator David Braddock 'normal' means finding a missing drug smuggler, sleeping with the Police Chief's wife and ensuring his office manager's latest money making scheme doesn't bankrupt him. For Police Chief Charoenkul it means resuming his seemingly-endless wait for that elusive promotion to Bangkok. However, the peace is destined to be short-lived. Unbeknown to both men, karmic storm clouds are gathering and murderous forces are about to be unleashed which could destroy them both ... 'Hungry Ghosts' is the second volume in the 'Time, Blood and Karma' series. It marks the welcome return of David Braddock, the charismatic anti-hero from 'Everyone Burns'. The 'Time, Blood and Karma' series will appeal to lovers of the following book categories: mystery, thriller, crime, Thailand fiction, private investigators, British detectives, and amateur sleuths.
