Religion of Peace?: Islam's War Against the World G. M. Davis

Virtually every contemporary Western leader has expressed the view that Islam is a peaceful religion and that those who commit violence in its name are fanatics who misinterpret its tenets. This widely circulated claim is false. Relying primarily on Islam's own sources, *Religion of Peace? Islam's War Against the World* demonstrates that Islam is a violent, expansionary ideology that seeks the subjugation and destruction of other faiths, cultures, and systems of government. Further, it shows that the jihadis that Westerners have been indoctrinated to believe are extremists, are actually in the mainstream.
