Time Travel Romance: Eruption near Pompeii (Historical Time Trave Romance) (New Adult Comedy Romance Short Stories) Diane Queenston

Marsha is a curvy woman who is spending her vacation in Italy at the ruins of ancient Pompeii- the city buried by a volcanic eruption almost two thousand years ago. She's with her rich boyfriend who has little or no interest in world class heritage sites. Marsha has a degree in art history and knows more about the art of ancient Rome than most people on the planet.

Centurion Gnaeus Honorus Lupus is a Roman soldier who has a vast estate near Pompeii just prior to the eruption of Mt. Vesuvius. He's a dashing figure who likes his wine and women. He's touring the city, looking for another slave woman to add to his collection. He's about to leave town when something amazing happens.

Marsha has just caught her boyfriend with two women. She runs sobbing into the ruins of Pompeii at night and steps into a temporal vortex which takes her back to the days of Roman glory. Now she's been found wondering around naked and assumed to be a slave.

But Marsha, now called Marca in Latin, is just what the centurion needs. He buys Marca and takes her back to his estate. She quickly shows her skills helping out in the villa during the daytime. At night, she serves the centurion in other ways. A great passion arises between them.

Will Marca fulfill the centurion's needs and can he satisfy her wants? What will happen when Mount Vesuvius blows its top?

*** Bonus story at end of book "Theatre of Lovers"

Warning! This ebook contains explicit scenes of passion and desire. For adult eyes only!!!
