Advanced Reader series is designed for children in the 2nd and 3rd grades as they improve their reading skills. These books, filled with fascinating facts and photos of God's creation, will increase your child's love for reading and for his Creator. When we look at nature, we see millions of wonderful designs that God created. We can copy some of these designs and use them to make our lives better. Other designs are so difficult to understand, even the smartest humans cannot figure them out or copy them. These designs teach us that God is much smarter than humans will ever be. They also teach us that God designed the world just right for humans to live here. He wants us to learn about the natural world and use it to help make our lives better.
