Passionate Partnership: Leader's Guide: A Group Study On Sexuality And Intimacy For Married Couples Vickie Sloderbeck

Does the Bible really speak about marital sex? Absolutely! There is even an entire book in Scripture devoted to this topic.

Passionate Partnership is an in-depth Bible study uncovering the meaning of the poetry found in *The Song of Solomon*.

The Leader's Guide for this study:

1. Is **totally scripted** unlike most all other leaders' guides. It gives you word-for-word text to enable you to confidently lead each class, regardless of your expertise.
2. Is printed in a large font, allowing you to see the print while maintaining eye contact with the couples in your class.
3. Is a 10-week study for small groups of married couples, filled with valuable information so you can educate and encourage them concerning their sexual relationship and marriage.
4. Includes a list of resources, suggestions, questions, activities and helpful tips for leading each class.
5. Contains quotes from other authors, making this study relevant for today's marriages.

With mostly "verbal" homework each week (found in the couple's workbook for this class), a couple's communication skills can dramatically improve as they gain a deeper understanding of the most erotic book in Scripture--*The Song of Solomon*.

Enter into an exciting ministry of sharing with other married couples about God's design of sex and intimacy in marriage--a ministry that is hungry for those willing to lead.

****This guide is intended to be used in conjunction with *Passionate Partnership: Couple's Workbook***
