**Stopping at Every Lemonade Stand: How to Create a Culture That Cares for Kids** James Vollbracht Children's lives today are complex, stressful, and dangerous. Kids are overscheduled, come home to empty houses and neighborhoods where they don't know a soul, and in school, face violence-all too often from their peers. In **Stopping at Every Lemonade Stand**, James Vollbracht provides a blueprint for transforming our unstable and disconnected culture into a healthier, supportive one. Vollbracht bases his approach on six overlapping circles of community-our personal circle, families, neighborhoods, larger communities, business worlds, and elders-and outlines simple actions within each circle that will help rescue our kids. Through a rich blend of heartwarming anecdotes and creative, practical strategies, **Stopping at Every Lemonade Stand** affirms the age-old wisdom that the power and responsibility to heal our communities rest in our own hands.
