The Princess & the Frog R.F. Gilmor

Lovely Princess Ella loses her precious golden ball when it lands in a well. She makes a promise to a frog for the return of the ball promising he may eat at her table and sleep in her bed for three nights. She immediately forgets her promise when she runs home. The frog appears at dinner and demands payment as she had promised. Princess Ella tells her father, the King, about the strange frog and the king tells Ella she must keep her word to the Frog, for it is her bond. Does Princess Ella keep her word? An enchanting story translated from the Grim Brothers' collection, and put to verse by the author, R.F. Gilmor for the enjoyment of young readers.

From reader reviews:

Philip Logan:

Playing with family in a very park, coming to see the ocean world or hanging out with buddies is thing that usually you may have done when you have spare time, subsequently why you don't try thing that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love The Princess & the Frog, you could enjoy both. It is excellent combination right, you still need to miss it? What kind of hang-out type is it? Oh come on its mind hangout people. What? Still don't get it, oh come on its known as reading friends.

Linda Mays:

Many people spending their period by playing outside with friends, fun activity together with family or just watching TV all day every day. You can have new activity to enjoy your whole day by studying a book. Ugh, ya think reading a book can definitely hard because you have to bring the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Cell phone. Like The Princess & the Frog which is finding the e-book version. So , why not try out this book? Let's see.

Teresa Dawkins:

Is it a person who having spare time in that case spend it whole day by means of watching television programs or just lying on the bed? Do you need something new? This The Princess & the Frog can be the solution, oh how comes? A book you know. You are therefore out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these ebooks have than the others?

Nikki Kirkland:

Do you like reading a book? Confuse to looking for your favorite book? Or your book was rare? Why so many concern for the book? But just about any people feel that they enjoy with regard to reading. Some people likes reading through, not only science book but novel and The Princess & the Frog or others sources were given understanding for you. After you know how the great a book, you feel want to read more and more. Science publication was created for teacher or perhaps students especially. Those ebooks are helping them to increase their knowledge. In different case, beside science e-book, any other book likes The Princess & the Frog to make your spare time much more colorful. Many types of book like here.
