What Is Normal? Ginny Scales Medeiros

This fascinating story follows the life of a young girl, Sue, who was born into abuse and poverty. Sue defeated the odds, winning through her own grit, determination and humorous ingenuity. She made her way from the backwoods of upstate New York, and lived in a trailer with her uneducated, teenage parents—a structure that eventually became a chicken coop. Feeling invisible, she learned to take advantage of that invisibility and embarked on a Dickensque-lifestyle of petty theft. By the time she was a young teenager, she had discovered the misguided benefits of drugs and alcohol. Sue emerged from the most likely NOT to succeed...into a success. On her own at 15, she invented a product sold on QVC. Battling her demons, Sue finally WINS over self-destruction and the world's fantasy of What Normal is—and found her authentic self.
