The Hanover brothers are doing their best to live down the legacy of their con artist father...but they still have a knack for getting in trouble where romance is concerned.

As the lawyer of the family, Beckett Hanover ought to be sorting through the many claims filed against their family estate—which the brothers have recently inherited from their grandmother. But something about the housekeeper, Sophie, keeps stealing his focus...

Little does he know, as he flirts, what else she intends to steal. The truth is Sophie took the job with one purpose in mind: to help her aunt. But she never expected to find a man like Beck or get sidetracked by the handsome hottie's sweet talk and broad shoulders. Between her secret and Beck's past, the two are headed for one risky romance.
