## **Freefall** Kristen Heitzmann

When a young woman stumbles out of the Hanalei Mountains on the island of Kauai with no memory of who she is or how she got there, Cameron Pierce reluctantly agrees to investigate the mysterious circumstances surrounding her arrival. As pieces begin to fall into place, he suspects her injuries were no accident, but he's far from convinced she's an innocent victim. And there's that nagging feeling he's seen her somewhere before. . . . Now known as Jade, the woman begins to recall fragments of what led her to this place, and she realizes the danger isn't over. Jade and the cynical Hawaiian investigator attempt to reconstruct the threads of her identity, but the stakes are far higher than either expected.

### **From reader reviews:**

#### **Michael Milliner:**

As people who live in typically the modest era should be change about what going on or data even knowledge to make them keep up with the era and that is always change and make progress. Some of you maybe will certainly update themselves by reading through books. It is a good choice to suit your needs but the problems coming to a person is you don't know which one you should start with. This Freefall is our recommendation to cause you to keep up with the world. Why, because book serves what you want and need in this era.

#### **John Pasko:**

Nowadays reading books become more than want or need but also be a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge even the information inside the book which improve your knowledge and information. The details you get based on what kind of reserve you read, if you want have more knowledge just go with education and learning books but if you want experience happy read one together with theme for entertaining for example comic or novel. Typically the Freefall is kind of book which is giving the reader erratic experience.

#### **Mindy Simmons:**

This book untitled Freefall to be one of several books in which best seller in this year, this is because when you read this book you can get a lot of benefit into it. You will easily to buy that book in the book retailer or you can order it via online. The publisher of this book sells the e-book too. It makes you more easily to read this book, as you can read this book in your Touch screen phone. So there is no reason to you personally to past this reserve from your list.

#### **Estelle Hicks:**

People live in this new day of lifestyle always aim to and must have the spare time or they will get great deal of stress from both day to day life and work. So , whenever we ask do people have spare time, we will say absolutely of course. People is human not just a robot. Then we inquire again, what kind of activity are you experiencing when the spare time coming to anyone of course your answer will probably unlimited right. Then do you try this one, reading textbooks. It can be your alternative within spending your spare time, typically the book you have read is usually Freefall.
