Hell's Gate: A Novel (Tom Braddock Series) Richard Edward Crabbe

A riveting tale of river piracy, gang wars, and the worst catastrophe to hit New York City before September 11, 2001

In 1904 the Hudson and East Rivers were vital to the people of Manhattan. They offered families an escape from the squalor of the tenements, politicians a means of catering to their constituents, and criminals a means to make a fortune in black-market goods.

When Detective Mike Braddock foils a midnight heist led by the gangland thug Smiling Jack, the city honors him as a hero. But Mike can't forget Jack's final revelation: the identity of a new mobster jockeying for position in the cutthroat world of New York's gangs.

Mike is committed to bringing down this new criminal powerhouse before he takes power, no matter where his investigation takes him. He finds out quickly that he's not the only one who wants to take down this new gangster. A host of other mob heavies have their eyes on the same target, and they're more than willing to knock Mike out of the way to get there first.

Full of action, double-crossing, and high-stakes mob warfare, *Hell's Gate* brings readers to the rough-and-tumble streets of historic Manhattan, all set against the vivid backdrop of the greatest tragedy to strike New York until 9/11.

From reader reviews:

Jennifer Stewart:

Inside other case, little persons like to read book Hell's Gate: A Novel (Tom Braddock Series). You can choose the best book if you appreciate reading a book. Given that we know about how is important a book Hell's Gate: A Novel (Tom Braddock Series). You can add knowledge and of course you can around the world by the book. Absolutely right, simply because from book you can understand everything! From your country until foreign or abroad you may be known. About simple point until wonderful thing it is possible to know that. In this era, you can open a book or even searching by internet unit. It is called e-book. You can utilize it when you feel bored to go to the library. Let's read.

Deborah Allen:

Reading a e-book can be one of a lot of action that everyone in the world loves. Do you like reading book and so. There are a lot of reasons why people like it. First reading a publication will give you a lot of new details. When you read a publication you will get new information due to the fact book is one of many ways to share the information or even their idea. Second, studying a book will make anyone more imaginative. When you examining a book especially fiction book the author will bring one to imagine the story how the figures do it anything. Third, you are able to share your knowledge to some others. When you read this Hell's Gate: A Novel (Tom Braddock Series), you could tells your family, friends as well as soon about yours e-book. Your knowledge can inspire the mediocre, make them reading a e-book.

Marvis Byrnes:

Playing with family in a very park, coming to see the water world or hanging out with close friends is thing that usually you have done when you have spare time, after that why you don't try factor that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Hell's Gate: A Novel (Tom Braddock Series), you could enjoy both. It is good combination right, you still wish to miss it? What kind of hang-out type is it? Oh occur its mind hangout fellas. What? Still don't buy it, oh come on its referred to as reading friends.

Tiffany Hernandez:

This Hell's Gate: A Novel (Tom Braddock Series) is great book for you because the content and that is full of information for you who else always deal with world and possess to make decision every minute. That book reveal it data accurately using great arrange word or we can say no rambling sentences inside. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but challenging core information with attractive delivering sentences. Having Hell's Gate: A Novel (Tom Braddock Series) in your hand like keeping the world in your arm, facts in it is not ridiculous just one. We can say that no e-book that offer you world in ten or fifteen small right but this reserve already do that.

So , this can be good reading book. Hey Mr. and Mrs. occupied do you still doubt that?
