RECOMMENDATIONS/ENDORSEMENTS:

"In your hands, you have an inspiring, challenging and honest story by a man who has lived out one of the biggest fears we all face. This is a story of death and pain, of hope and healing... Jason shares this story because so many of us are dealing with the same issues of death, loss and pain. If you haven't already, many of you will face these issues soon - it's not a matter of if, but a matter of when. It is Jason's wish that, when the time comes, you will rebuild your life with the same hope and healing that drives the answer to the question, 'What are you going to do now?'" **Dr. Joe White President, Kanakuk Kamps (Portion of Foreword)**

--

"Few people have gone through the pain and heartbreak that Jason has gone through. I never cease to be amazed at the incredible grace that is found within the tears and restoration of the miracle of Jason's life. If you need hope then listen to this story; you will definitely find it." **Joel Engle - Pastor of The Exchange Church, Keller, Texas Musician, www.joelengle.com**

"And we know that God causes all things to work together for good to those who love God, to those who are called according to His purpose." Romans 8:28 "Can tragedy be synonymous with blessing? Can water that

brings life be found in a desert? A story of great faith and unexplainable perseverance lies within these pages. I pray that your heart may be encouraged as it is taken on this journey, a journey of great loss; great loss met by an even greater faith in God, a Savior who in His sovereignty can and will bring life from the ashes."

Shane Everett - Musician, Shane & Shane www.shaneandshane.com
