Cryptoscatology: Conspiracy Theory as Art Form Robert Guffey

Examining nearly every conspiracy theory in the public's consciousness today, this investigation seeks to link seemingly unrelated theories through a cultural studies perspective. While looking at conspiracy theories that range from the moon landing and JFK's assassination to the Oklahoma City bombing and Freemasonry, this reconstruction reveals newly discovered connections between wide swaths of events. Linking Dracula to George W. Bush, UFOs to strawberry ice cream, and Jesus Christ to robots from outer space, this is truly an all-original discussion of popular conspiracy theories.

David Thompson:

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country.
