*Going Home Shouldn't Be This Hard...*

Cassidy Lambert traded in Montana's big sky country for the big-city lights—forever. Until a potentially devastating equine illness threatens her family's ranch, and Cassidy is needed at home to help. She thinks she knows what she wants from life, but the more she's around sexy veterinarian Dan Farley, the more confused she gets.

When Cassidy comes back to the open Western landscape Dan loves, she's nothing but a beautiful burr under his saddle. She stomped on his heart once before, and he's not eager for another go-around. But he just can't keep himself away from those green eyes and sweet curves. It's a good thing she'll soon be gone again. Because he can't trust her—or himself—when she's around!
