BOOK #1: Leadership: 33 Lessons on How to Become A Proactive Leader and Successfully Build A Phenomenal Team

There are all kinds of leaders in the world: dictators and kings, chiefs and elected officials, military commanders and company directors, and employee managers. Even on a smaller scale, team leaders in the workplace, teachers and principals, and clerics are all leaders of other people – and will best succeed in their roles if they are proactive. This book will explain what proactive leadership is, and offers suggestions for improving your own leadership skills to the point where you will be able to build and manage an effective and successful team – no matter if your team is a group of executive financial advisors in a multi-million dollar banking company, or the lady's auxiliary of your neighborhood volunteer fire department.

Included in the book are:

- An explanation of the difference between reactive and proactive leadership
- The benefits of proactive leadership in various settings
- 33 lessons for improving your proactive leadership abilities and building a phenomenal team
- Troubleshooting for proactive leaders
- Links to websites that offer courses, workshops, and self-assessments in proactive leadership

BOOK #2: Life Coaching: 23 Lessons on How to Become a Successful Coach Who Encourages, Motivates and Inspires Other People

Life Coaching: 23 Lessons on How to Become a Successful Coach Who Encourages, Motivates and Inspires Other People is a book with real world problems for real world people. Not only is it a great read for people wanting to start a career in life coaching, it is an excellent go to for those looking to have a life coach. Sometimes, people aren't really sure WHAT to bring to the table during their life-coaching sessions.

Issues discussed are as follows:

- *What is a life coach:* You will learn what a life coach does, what education is needed to become a life coach, and how to maintain your validity within the field.
- *You are your brand and your image:* How is it that some people just ooze with success? Why is it that you can look at someone and size them up before even speaking with them? If you think that you need to rehaul your image and your brand, this is for you.
- *People Problems:* Everyone's got 99 problems and 1 of them will always have to be an interpersonal issue. Here we discuss some typical (but not typically talked about) issues and how to solve them.
- *Trusting Your Instincts:* If your life was a film, you would know which characters to talk to and which places to stay clear of. But, we don't live in movies, so we have to rely on our instincts. Sometimes, people fight their instincts to try to hold on to something that just doesn't exist. This is when your personal life coach comes to the rescue, with reality in hand.
