Management Skills & Leadership Development Course: How to be a Great Manager & Strong Leader in 10 Lessons William L Evans

There are many factors that separate average managers from great managers. In most cases, a person becomes a manager due to working their way up the company ladder, however, being a great manager is more than just being knowledgeable of your company's products or services offered. This 10-lesson management and leadership training course will give you the management skills needed to direct your employees, and the leadership skills needed to inspire your employees. You will also learn the basics in business, similar to those taught in an MBA course. By learning how to lead and manage your employees, plan and structure your department for optimal success, create and build a strong team, delegate, motivate, deal with conflict and different personalities, handle difficult employees, know how and when to fire someone, hold effective meetings, along with the many other skills taught in this course, you will have the confidence and knowledge to become an all around great manager and leader.
