My Partner and Me (shifters and partners Book 2) Hollis Shiloh

Being mates makes everything perfect—doesn't it?

Sean is happy with his mate, Tom. As far as he's concerned, life is golden. Except for when it isn't. Their work is dangerous. While Sean's recovering from his most recent injury, he hears a little girl in his head, calling for help. And his wolf side is acting up: too sensitive, too vulnerable. He needs Tom more than ever, especially when it means facing his family and old wounds. Even if things are never truly right for his wolf side, at least he has a mate who will never leave him...right?

Takes place after "My Partner the Wolf"

89,000 words. Some angst. Some wolf stuff. Lots of love. Happy ending. (I promise!)

Sexiness level: Medium-ish
