How many times can a person die? How many times can a person try to die and fail? How many times do bones have to break and dreams have to shatter to stop the pain? How much do you have to hate? How much blood do you have to spill for the pain to stop, shake you inside and make you desire life once again? This is the story of my nightmares and inner demons written through dark poetry, journal entries and my own artistic imagery. It is how I fell down, broke my crown and the ugliness was transformed into morbid beauty. The ghosts that scream inside my head to get out...are waiting to crawl into yours.
