WALT DISNEY WORLD: THE "easy" WAY

Disney gurus Dave Shute and Josh Humphrey have helped millions plan the Walt Disney World vacations of their dreams with practical advice and unique touring strategies. Now they've distilled their best advice into a book both for first-time visitors and for "any-timers" who want to make their next vacation even more special.

Taking the Difficult Out of Disney

A Disney vacation begins long before you set foot in the Magic Kingdom. To get the most value, and to experience the most fun, you'll need to make the *right* decisions about when to go, how long to stay, where to stay, what to eat, how to maximize your time in the parks, and much more. Sound easy to you?

With Dave and Josh's help, planning your dream vacation to Walt Disney World really *is* easy. They cover everything you need to know (and no more!), in the order you need to know it, with plenty of maps, charts, images, "cheat sheets", and solid advice to remove the mystery from the magic.

Beating the Crowds, the Cost, and the Chaos

Despite it being the Happiest Place on Earth, a lot of things about Disney World can make you very unhappy while you're there: big crowds, bad weather, small budgets, and the general chaos brought on by so much to do and so little time in which to do it.

With *The easy Guide*, you'll be able to defeat each of these Disney downers by following no-nonsense, to-the-point advice backed up by the authors' extensive research, along with graphs and charts that will help you avoid the pitfalls which can turn a dream vacation into a nightmare.

Drawing on their years of research, experience, and plain ol' common sense, Dave and Josh share:

- The best times to visit Walt Disney World, with month-by-month analyses, and how long to stay once you're there
- Where to stay, with in-depth reviews of every Walt Disney World hotel, and advice about staying off-property
- The most comprehensive coverage of FastPass+ you'll find anywhere, with sample itineraries and simple instructions for designing your own
- Capsule reviews of every Disney attraction, show, and table service restaurant, with a full analysis of the Dining Plan
- Budgeting for your trip: getting the most from Walt Disney World while spending the least
- Exclusive "Cheat Sheets" with touring plans for the four parks, and tips for making even short trips memorable

The easy Guide is completely up-to-date, with exclusive sections about the Seven Dwarfs Mine Train and other late-breaking Disney developments.

If you're going to Walt Disney World, make it "easy" on yourself with Dave and Josh's *easy Guide!*
